FROM: HQ AFRS/RSO

SUBJECT: FY 04 Enlisted Accessions Senior Recruiting Badge Criteria

TO: All AFRS Operations

1. The purpose of this PGM is to outline Senior Recruiting Badge eligibility for FY 2004. The lack of goal distribution from May–Jul 2004 has made it necessary to adjust our badge eligibility criteria.
2. For Out-of-Cycle badges, if a recruiter or flight chief completed their initial 9th to 12th month on goal as of 30 Apr 2004, were 115% NETRES or better, and meet all other badge criteria, they earned their Out-of-Cycle badge. Their Out-of-Cycle competition period ended 30 Apr 04.
3. Recruiters that complete what would have been their initial 12th month on goal in August or September 2004 are eligible for Out-of-Cycle badge consideration at that time and can include their RTP statistics. They must have had at least 9 months on goal.
4. Any recruiter or flight chief on initial tour of duty that did not qualify for their Out-of-Cycle badge is eligible for consideration based upon FY 2004 statistics. They, along with all others, will compete based upon FY 2004 In-Cycle criteria and their statistics will run through 30 Sep 2004 to include all reservations and cancellations from May – Jul 04. As long as they were on goal as of 1 Oct 03, they will be eligible for consideration.
5. For subsequent Senior Recruiting Badge eligibility for FY 04, as long as the Out-of-Cycle badge was awarded based upon statistics ending prior to 1 Jan 04 and the individual was on goal from 1 Jan – 30 Sep 04, they will be time eligible to compete for a subsequent badge.
6. When exception request are warranted for consideration, please use the attached Senior Recruiting Badge ETP Worksheet for submittal. Do not expect approval if the individual was not 115% NETRES or better. Refer any questions to AFRS/RSOT (Training) at 210-565-0388 (DSN: 665-0388).
